Debra --

We like to have two weeks for OGC review, which should give us enough time to review and run things up our chain, as necessary.

Thanks,
Alyssa

Hi Alyssa,

Thanks for taking a look. This is definitely a rough "draft." I will definitely add OGC review to the schedule. If the numbers/refinements fail and we go down the road of a denial, ideally what time frame would you want/need for this review? Conversely, if we find a path forward, what would you need?

Thanks.
Debra

Thanks, Debra.

I didn't see a specific block of time for OGC review. We can help along the way, but it might be a good idea to have some days near the end of the process set aside for OGC review (assuming you want us to review!).

Thanks.,

Everyone should have access to the aldicarb folder on my OneDrive, which contains the last briefing slides and the schedule/timeline discussed at this morning's meeting.
